Independent Auditor's Report

To the Board of Directors
Partnerships With Industry

We have audited the accompanying financial statements of Partnerships With Industry, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Partnerships With Industry as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Organization and summary of significant accounting policies

Partnerships With Industry (the "Organization") is a California nonprofit public benefit corporation providing instruction, training and placement to persons with disabilities to develop their self-care, independence and vocational capabilities in San Diego County.

Basis of accounting
The financial statements have been prepared on the accrual basis of accounting. Accordingly, income is recognized as earned and expenses as incurred, regardless of the timing of payments.

Financial statement presentation
The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. Furthermore, information is required to segregate program service expenses from management and general and administrative expenses. The Organization does not have any permanently restricted net assets.

Cash equivalents
For purposes of the statement of cash flows, the Organization considers all highly liquid money market investments purchased with a maturity of three months or less to be cash equivalents.

Investments
Certificates of deposits held for investment, with original maturities greater than three months, are included in investments.

Accounts receivable
Accounts receivable are reported net of an allowance for doubtful accounts. Management's estimate of the allowance is based on historical collection experience and a review of the current status of accounts receivable. It is reasonably possible that management's estimate of the allowance will change. As of June 30, 2017 and 2016, the allowance for doubtful accounts is $7,000 and $7,000, respectively.

Property and equipment
Property and equipment and leasehold improvements in excess of $3,000 are capitalized and recorded at cost. Donated items are recorded at estimated fair value at the date of the gift. Depreciation and amortization are calculated using the straight-line method over the estimated lives of the assets. Amortization of leasehold improvements is included in depreciation expense.

Property and equipment is depreciated on a straight-line basis as follows:

Furniture and fixtures	5 to 7 years
Equipment	5 to 7 years
IT Infrastructure	3 to 5 years

Impairment of long-lived assets
The Organization reviews its equipment for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows expected to be generated by an asset are less than the carrying amount of the asset, an impairment loss is recognized for the difference. No impairment losses have been recognized during the years ended June 30, 2017 and 2016.

Revenue recognition

Revenues are recognized based on accrual accounting in accordance with generally accepted accounting principles ("GAAP"). Revenues are recognized when earned, regardless of the timing of cash receipts. Revenue is considered earned when the Organization has substantially met its obligation to be entitled to the benefits represented by the revenue. Deposits, advance payments and progress payments for programs or activities to be conducted primarily in the next fiscal year are classified as unearned revenues and are recognized as revenue only when the revenue producing event has occurred.

Contributions are recognized as revenue when an unconditional promise, in substance, to give is received by the Organization. All contributions and other types of revenue with restrictions imposed by the donor are reported as increases in unrestricted, temporarily or permanently restricted net assets depending on the nature of the restrictions. All transactions and balances in these financial statements are reported within the unrestricted and temporarily restricted class of net assets because there have been no permanent restrictions imposed by donors.

Functional allocation of expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities. Directly identifiable expenses are charged to program services and fundraising. Expenses related to more than one function are charged to program services and fundraising based on systematic methods. Management and general expenses include expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the Organization.

Income tax status

The Organization has applied for and received a determination letter from the Internal Revenue Service ("IRS") to be treated as a tax exempt entity pursuant to Section 501(c)(3) of the Internal Revenue Code and did not have any unrelated business income for the years ended June 30, 2017 and 2016. Due to its tax exempt status, the Organization is not subject to income taxes. The Organization is required to file tax returns with the IRS and other taxing authorities. Accordingly, these financial statements do not reflect a provision for income taxes and the Organization has no other tax positions which must be considered for disclosure. While no income tax returns are currently being examined by the IRS, tax years since 2014 remain open.

Estimates and assumptions

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - Investments

As of June 30, 2017 and 2016, the value of the certificates of deposits are $360,658 and $309,763, respectively. The certificates of deposits have the following maturities:

Depreciation expense was $83,016 and $28,929 for the years ended June 30, 2017 and 2016, respectively.

Note 4 - Operating lease obligations

The Organization leases office space under an operating lease. The office leases expire at various dates through 2022. Total expenses under operating leases were $653,861 and $612,715 as of June 30, 2017 and 2016, respectively, and are included in office on the statements of functional expenses.

Future aggregate minimum lease payments under non-cancelable operating leases for each of the next five years subsequent to June 30, 2017 are as follows:

2018	$	549,360
2019		540,475
2020		344,486
2021		254,663
2022		206,028
Total	$	1,895,012

Note 5 - Note payable

The Organization has an outstanding note with US Bank in the original amount of $229,471 for the purchase of fixed assets. The note bears an interest rate of 4.5% and is due to mature on November 9, 2021, with 60 monthly installments in the amount of $4,326. Interest expense was $8,409 and $0, respectively, for the years ended June 30, 2017 and 2016 and is included in other expenses in the statements of functional expenses. As of June 30, 2017 and 2016, notes payable is $207,595 and $0, respectively.

Estimated future principal payments on the above note payable for each of the next five years subsequent to June 30, 2017 are as follows:

2018	$	43,463
2019		45,460
2020		47,548
2021		49,733
2022		21,391
Total	$	207,595

Note 6 - Line of credit

The Organization has a line of credit with US Bank under a revolving credit note. The line of credit is due on January 22, 2018 and bears interest at an annual rate equal to 5.28 % plus the prime rate announced by US Bank. Once drawn, the line of credit will be collateralized by the business assets. As of June 30, 2017 and 2016, the Organization has not drawn on the line of credit or incurred any interest expense.

Note 7- Restricted net assets

Temporarily restricted net assets consist of the following at June 30:

	2017	2016
Computers	$ 15,180	$ -
Computer lab	1,050	800
Spanish language materials	478	478
Translation project	316	316
FDD Training materials	279	-
Total	$ 17,303	$ 1,594

Note 8- Net assets released from restrictions

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes of by occurrence of other events specified by donors.

Net assets released from restriction consist of the following at June 30:

Autism technology training center plan	$ -	$ 25,000
Computer lab	-	3,070
Translation project	800	-
Total	$ 800	$ 28,070

Note 9 - Retirement plans

During the years ended June 30, 2017 and 2016, the Organization sponsored a 401(k) employer contributory tax deferred retirement plan. Employees, who have met certain service agreements, other than those covered under a collective bargaining agreement are eligible to participate in the 401(k) plan. During the years ended June 30, 2017 and 2016, the Organization made no contribution to the plan.

The Organization has a 457(b) tax deferred retirement plan covering Top Hat employees (CEO & CFO). During the years ended June 30, 2017 and 2016, the Organization made contributions of $6,650 and $6,225, respectively, to the plan.

Note 10- Concentration of revenue

The Organization depends significantly on revenue received from the California Department of Development Services ("DDS"). The Organization is claimed as a vendor and submits monthly invoices for reimbursement based on the participant's enrollment and activities according to DDS' funding policies. Revenues for the years ended June 30, 2017 and 2016 were $4,332,100 and $4,141,086, respectively. Accounts receivable at June 30, 2017 and 2016 includes $413,268 and $389,513, respectively, from DDS.

Note 11 - Concentration of credit risk

The Organization maintains cash and cash equivalents with various financial institutions. At times, these balances may exceed the federal insurance limits; however, the Organization has not experienced any losses. Management believes that no significant concentration of credit risk exists with respect to these balances at June 30, 2017.

Note 12 - Related party transactions

The Organization may utilize the services of a board member's staffing business. During the years ended June 30, 2017 and 2016, $0 and $6,616, respectively, was paid to the company.

The Organization utilized the services of a board member's insurance business during the year ended June 30, 2016. The amount of $2,200 was paid to the board member as a referral bonus from the insurance business.

Note 13- Disposal of fixed assets

As part of the decision to discontinue the document destruction operation, during the year ended June 30, 2017, the Organization decided to dispose of the truck and equipment used in its document destruction facility. The Organization sold the truck and equipment for $35,800 and wrote off the carrying basis of the asset net of accumulated depreciation. As a result, the Organization recognized a loss on sale of property of $104,414 which is included in the statement of activities for the year ended June 30, 2017.

Note 14- Subsequent events

Events that occur after the statement of financial position date, June 30, 2017 but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at June 30, 2017 are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after June 30, 2017, require disclosure in the accompanying notes. Management evaluated the activity of the Organization through October 24, 2017, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to financial statements.
