By My Signature,

- I understand that employment with Partnerships With Industry (PWI) is contingent upon successful completion of a post-offer, physical examination, drug testing, criminal background investigation, reference check, credential review, submission of a qualifying state of California Department of Motor Vehicles record and/or credit standing. If PWI determines that such an examination, test, or investigation is appropriate for the position that I have applied for. PWI will only perform a pre-employment criminal background check or credit check if I have authorized it in writing after PWI provides me with disclosures and notices required by state and federal laws.
- I authorize PWI to substantiate and verify my past employment, professional credentials, academic degrees, licenses & certifications. I agree to allow PWI to obtain information from references and
- release PWI from any liability arising from its efforts to obtain information from references and verify the information I provide to it in this application or separately, as well as PWI's use of such information in determining my eligibility for employment.
- I authorize my previous schools, employers, listed references, and others who have information about me, to release to PWI or its appointed investigative agencies or authorized personnel, any relevant information, including transcripts, that may be requested in connection with my employment. I agree to release any previous employers, schools, and personal or professional references from any liability arising from or relating to information that they may provide about me to PWI.
- I understand that if I submit a résumé or any other document(s) as requested during the application process, by signing this application I am certifying that all information contained in the résumé or other document(s) is current, complete, true, and accurate.
- I understand and agree that, if hired, my employment with PWI is At-will, meaning that it is for no definite period and may be terminated at any time without prior notice and without cause. I also understand that the At-will nature of the employment relationship is the entire agreement regarding the nature and duration of my employment and cannot be changed except in writing signed by PWI's President/CEO in concurrence with the Board of Directors, which expressly states that it is changing the At-will nature of the employment relationship.
- I understand that incomplete, incorrect or false information will result in my ineligibility for employment or termination of my employment if it is discovered after I am hired for employment by PWI.
- I understand that this application does not represent a contract, nor does it guarantee that I will be hired.
- I understand that this application is considered current for thirty (30) days. If I wish to be considered for employment at a later time, I must resubmit a PWI application of employment and update all my current information for consideration of employment for current open positions.
- PWI will only accept employment applications for current open positions from qualified applicants.
